## AVAILABILITY OF SEATS FOR LATERAL ENTRY ADMISSION IN EMRS BALUGODU

Lateral entry admission is allowed only against the vacant seats in classes VII, VIII, IX and XI, if any. Vacancies may be assessed by considering the reservation criteria and the categories of existing students. It should be ensured that after the admission of lateral entry students, overall admission of students is as per reservation criteria. For example, if five seats of boys and two seats of girls are vacant, selection for lateral entry admission is to be done by selecting 5 boys & 2 girls accordingly so that the ratio of boys & girls will be maintained as 1:1 as per policy of NESTS.

The number of seats available for each class is given below for the academic year 2025-26.
